

MDS 3.0 RAI Manual Updates: What Changed for October 1

Thursday • October 20

10:00 – 11:30 AM HAST • 12:00 – 1:30 PM AKDT • 2:00 – 3:30 PM MDT

Description:

This year's MDS 3.0 RAI User's Manual update was packed full of changes, from a new item set (the Medicare Part A PPS Discharge Assessment), to the new section GG on the MDS (section GG!). These changes are big! This session will focus on detailing the rules according to final instructions from CMS. We'll discuss clarifications and changes from CMS on how to accurately capture items in section GG such as "usual performance," "helper" and when to complete the End of Medicare Part A Assessment. In addition to covering the big changes, the session will clarify the numerous miscellaneous changes to chapters 2 and 3, including MDS sections C, J, M and others.

Objectives:

This webinar will prepare you to:

- Understand how to schedule and manage the new MDS item set "Medicare Part A PPS Discharge Assessment"
- Integrate new definitions into daily practice to accurately code section GG
- Identify the miscellaneous changes to the RAI manual that impact your daily coding practices, including section J, M and others
