A One Hour Live Webinar

Continuing Education Information

Speakers

Jared Welehodsky and Kim Gaedeke

Who Should Attend

This educational activity is designed for physicians, nurses and other professionals interested in improving medication safety. Any allied health professional with an interest in improving care related to the topic area is welcome to attend.

Purpose

Participants will be able to discuss updates to the MAPS system and the legislation leading to its implementation. This outcome will be assessed by participant self-report of knowledge gained from the activity.

Overall Conference Objectives

Following this educational session, participants will be better able to:

1. Describe how to register and access the MAPS system.
2. Discuss the legislation leading to the implementation of MAPS.
3. Explain how to assign access privileges to other clinicians in MAPS.
4. Explain the importance of accessing MAPS prior to prescribing opioid medications.

Continuing Education Disclosures:

Participants will be informed prior to educational content of any planner or speaker conflicts of interest. There is no commercial support for this activity.
