

Addiction Webinar Series: Sentinel Syndromes

**A One Hour Live Webinar on November 6, 2018
12:30 p.m. – 1:30 p.m. ET / 11:30 a.m. - 12:30 p.m. CT**

Continuing Education Information

Presented by Corey Waller, MD, MS

Who Should Attend

This educational activity is designed for physicians, nurses, social workers, clinical and management staff. Any allied health professional with an interest in improving care related to the topic area is welcome to attend.

Outcome

Participants will be able to identify how sentinel syndromes impact the patient care provided by primary care physicians. This will be measured by participant self-report on a 60 day follow-up survey.

Objectives

Following this webinar, participants will be better able to:

1. Define the four Sentinel Syndromes that, left unidentified can lead to poor outcomes in primary care.
2. Discuss the importance of addiction screening and the use of validated screening tools in primary care setting.
3. Evaluate and employ strategies for brief intervention for patients with substance/alcohol use and treatment options.
4. Identify the various models of care used in the approach to the treatment of patients with complex care needs.

Continuing Education Credits

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Wisconsin Medical Society through the joint providership of MetaStar, Inc. and the Lake Superior Quality Network (Lake Superior QIN).
