# Tobacco Cessation and Lung Cancer Screening

**A One Hour Live Webinar on January 9, 2019  
12:00 p.m. – 1:00 p.m. ET / 11:00 a.m. - 12:00 p.m. CT**

## Continuing Education Information

**Presented by Douglas Arenberg, MD, Andrea Boucher, MHSA, Julee Campbell, MPH**

### Who Should Attend

This educational activity is designed for physicians, nurses, and clinical and management staff. Any allied health professional with an interest in improving care related to the topic area is welcome to attend.

### Outcome

Participants will be able to examine the eligibility requirements for lung cancer screening, tobacco cessation resources, and how to systematically identify eligible population for lung cancer screening. This will be measured by participant self-report on a 60 day follow-up survey.

### Objectives

Following this webinar, participants will be better able to:

1. Identify strategies for discussing tobacco cessation with patients, state-level resources and other available assistance
2. Describe the importance and benefit of lung cancer screening for eligible patients and how to refer them to screening services
3. Evaluate available technical assistance for identifying eligible patients and developing a process for referring to lung cancer screening at your practice

## Continuing Education Credits
